Tākina Wellington Convention and Exhibition Centre

To all exhibitors and sponsors

To all trade exhibitors and sponsors

On behalf of the Aviation Industry Association of New Zealand (AIANZ), I'd like you to be part of the 2026 Conference which will be held in Wellington again this year at the Tākina Conference and Events Centre, from Sunday 6 September to Tuesday 8 September 2026.

The AIANZ Conference has been growing in stature every year to become the showcase event for the aviation industry in the country. In 2025, more than 400 delegates passed through Tākina over the three days of conferencing. These delegates represented a range of companies from the commercial aviation sector in New Zealand, as well as suppliers to the industry, sponsors, Government officials and many others with a stake in the industry.

As we did last year, the space for exhibitors at Tākina is simply stunning - not only does the area enjoy commanding views of Wellington, but the area provides ample room to network with key people from the aviation industry. It's a captive audience and there is no better place to meet with existing and potential customers from around New Zealand.

Once again, we have a range of exhibitor spaces available from standard 3m x 1.8m spaces for silver exhibitors to gold exhibitors' spaces at 3m x 3.6m in size. We encourage you to get in early to book your preferred space in the arena.

We welcome the support of sponsors again in 2026 without whose support this event could not take place. The sponsorship packages are similar in nature to those offered in 2026, but please talk to us if there is nothing suitable and we can tailor a sponsorship offer to suit you.

The Conference programme is close to completion, and this should be published very soon. Taking on feedback from last year, in 2026 we have included a workshop session on Sunday, and this could be an option for those delegates who may not be able to come to Conference on both Monday and Tuesday.

The Gala Dinner and Awards will be held at Tākina on the evening of Tuesday 8 September.

We look forward to seeing you again in 2026.

Ngā mihi nunui,

Simon Wallace, Chief Executive
